

茅ヶ崎市博物館  
Chigasaki City Museum

Chigasaki City Museum is dedicated to protecting and inheriting, utilizing resources and information of nature, history and culture of the city. This museum is the place to know, to learn and to hand down the city heritage for generations. Such activities of ours also help to enhance people's capabilities to further develop the modern society and open the way to the future so that they can efficiently solve a variety of problems which their communities will face.

Together with visitors and citizens of Chigasaki, we research studies, collect and conserve of the city heritage, interact and exhibit based on our theme "The story of the earth and people".

**Mission of the museum** Act together with visitors as well as citizens, we collect and conserve the city heritage which tell us nature and the living of people lived in, and also we utilize the heritage and hand down for generations.

**Role of the museum**

1. To conserve, to hand down and to utilize the city heritage
2. To make contributions to human development
3. To make contributions to regional development
4. To make contributions to create new culture

**Main theme** The story of the earth and people

**Sub-theme** Together with people, we explore, conserve and utilize the heritage and the living of the people which has been passed down on the earth of Chigasaki where a way of the sea and the river mix together.

**Philosophy of museum** A museum which thinks, acts and grows with people
